Sunday: Opening Our Hearts Transforming Our Losses: Denial to Grief to Hope

Pronounced as (ICKY-PAH), ICYPAA (International Conference for Young People In AA) is an AA conference with Al-Anon participation where the focus is AA recovery relating to the young AA's in sobriety, young at heart in sobriety, or young people looking for resources to address what it means to be young in sobriety. The 2019 conference will be celebrating it's 61st year at the Boston Marriott Copley Place, 110 Huntington Ave, in Boston, MA 02116 August 22nd-25th, 2019. The AA Host Committee has invited AFG to participate!

As guests to the conference, we must abide by the AA Host Committee Registration Requirements. It's required that ALL Al-Anons/Alateens register in order to be of service. Al-Anons/Alateens participating at ICYPAA is an opportunity to practice Tradition 5 (Primary purpose of AFG and Understanding our Alcoholic Love Ones) & Tradition 6 (Cooperation with AA). Preregistration is \$35.00 USD or \$45.00 USD at the door.

Registration covers the entire weekend of the conference. Hotel rates are \$189.00 a night for Double Bed Occupancy. Al-Anon programming will be offered throughout the weekend. "Entire Psychic Change" is this year's theme taken from the Doctors Opinion from Alcoholics Anonymous. The theme for the Al-Anon Programming is "Gentle Metamorphosis" taken from How Al-Anon Works pg. 63 on Step 12. Just as much as the alcoholic in recovery goes through an entire psychic change, the family member who is affected, change as well as described in our Al-Anon literature.

The Al-Anon participation portion of this conference is supported by the Massachusetts Al-Anon Area. The overall planning of the Al-Anon Program is done by local young people/young at heart in Al-Anon within the state of Massachusetts and other Al-Anons throughout the country. We are curating Al-Anon programming that speaks to the Young in Al-Anon/Young At Heart in Al-Anon usually in the 20-50 age range. All Are Welcome! Attached is a list of our Al-Anon programming that will be featured at the conference. We are making an active effort to reach this particular underserved demographic about Al-Anon at ICYPAA and offer how using the Al-Anon tools of recovery may help to address the issues facing today's generation who have been affected by someone else's problem drinking. Join us as we continue to carry the message to the friends and family who are suffering. #WeRecoverToo!

We are in need of Panel Speakers, Panel Moderators, Alateen Panel Speakers 18-20 no underage Alateen unless accompanied by an AMIAS or they are with their parent/guardian, AMIAS, Outreach/Literature Table Shifts, and Attendees to come to the conference. We welcome you to come to our next Planning Committee June 9th, 2019 from 2-4pm EST call 605-475-4937 pin code 385742.

We have an incredible weekend of recovery planned and we're very excited to share the hope and joy as we recover from the family disease of alcoholism One Day At A Time. Together We Can Make It!

In Recovery,
Al-Anon Planning Committee for ICYPAA 2019
